Book Overview:

Divided by time. Ignited by a spark.

Kansas, 2065. Adri has secured a slot as a Colonist—one of the lucky few handpicked to live on Mars. But weeks before launch, she discovers the journal of a girl who lived in her house over a hundred years ago, and is immediately drawn into the mystery surrounding her fate. While Adri knows she must focus on the mission ahead, she becomes captivated by a life that’s been lost in time—and how it might be inextricably tied to her own.

Oklahoma, 1934. Amidst the fear and uncertainty of the Dust Bowl, Catherine fantasizes about her family's farmhand, and longs for the immortality promised by a professor at a traveling show called the Electric. But as her family's situation becomes more dire and the suffocating dust threatens her sister's life, Catherine must find the courage to sacrifice everything she loves in order to save the one person she loves most.

England, 1919. In the recovery following the First World War, Lenore struggles with her grief for her brother, a fallen British soldier, and plans to sail to America in pursuit of a childhood friend. But even if she makes it that far, will her friend be the person she remembers, and the one who can bring her back to herself?

While their stories spans thousands of miles and multiple generations, Lenore, Catherine, and Adri's fates are entwined.

This book is one of best seller books in the world. Many of people very interesting to read this book. So, your life will be regret if you never read this book on your life.
