Book Overview:

When all hope is gone, how do you survive?

Before the war, Eden's life was easy—air conditioning, ice cream, long days at the beach. Then the revolution happened, and everything changed.

Now a powerful group called the Wolfpack controls the earth and its resources. Eden has lost everything to

them. They killed her family and her friends, destroyed her home, and imprisoned her. But Eden refuses to die by their hands. She knows the coordinates to the only neutral ground left in the world, a place called Sanctuary Island, and she is desperate to escape to its shores.

Eden finally reaches the island and meets others resistant to the Wolvesâ€™”but the solace is short-lived when one of Edenâ€™s new friends goes missing. Braving the jungle in search of their lost ally, they quickly discover Sanctuary is filled with lethal traps and an enemy they never expected.

This island might be deadlier than the world Eden left behind, but surviving it is the only thing that stands between her and freedom.
