Book Overview:

*From the author of the *New York Times* bestselling Testing trilogy comes a sweeping new fantasy series, perfect for fans of Victoria Aveyard and Sarah J. Maas.*

Twins Carys and Andreus were never destined to rule Eden. With their older brother next in line to inherit the throne, the future of the kingdom was secure.

But appearances—and rivals—can be deceiving. When Eden’s king and crown prince are killed by assassins, Eden desperately needs a monarch, but the line of succession is no longer clear. With a ruling

council scheming to gain power, Carys and Andreus are faced with only one optionâ€”to take part in a Trial of Succession that will determine which one of them is worthy of ruling the kingdom.

As sister and brother, Carys and Andreus have always kept each other safeâ€”from their secrets, from the court, and from the monsters lurking in the mountains beyond the kingdomâ€™s wall. But the Trial of Succession will test the bonds of trust and family.

With their country and their hearts divided, Carys and Andreus will discover exactly what each will do to win the crown. How long before suspicion takes hold and the thirst for power leads to the ultimate betrayal?

This book is one of best seller books in the world. Many of people very interesting to read this book. So, your life will be regret if you never read this book on your life.
