## Book Overview:

*From the <em>New York Times</em> bestselling author of <em>Moriarty</em> and <em>Trigger Mortis</em>, this fiendishly brilliant, riveting thriller weaves a classic whodunit worthy of Agatha Christie into a chilling, ingeniously original modern-day mystery.*

*When editor Susan Ryeland is given the manuscript of Alan Conwayâ€™s latest novel, she has no reason to think it will be much different from any of his others. After working with the bestselling crime writer for years, sheâ€™s intimately familiar with his detective, Atticus PÃ¼nd, who solves mysteries disturbing sleepy English villages. An homage to queens of classic British crime such as Agatha Christie and Dorothy Sayers,*

*Alanâ€™s traditional formula has proved hugely successful. So successful that Susan must continue to put up with his troubling behavior if she wants to keep her job.*

*Conwayâ€™s latest tale has Atticus PÃ¼nd investigating a murder at Pye Hall, a local manor house. Yes, there are dead bodies and a host of intriguing suspects, but the more Susan reads, the more sheâ€™s convinced that there is another story hidden in the pages of the manuscript: one of real-life jealousy, greed, ruthless ambition, and murder.*

*Masterful, clever, and relentlessly suspenseful, *Magpie Murders* is a deviously dark take on vintage English crime fiction in which the reader becomes the detective.*
