Silver and Shadow are in love with Sonic. Sonic is fully aware of his love for Shadow, but is initially oblivious to his love for Silver until Silver decides to pursue him and Shadow chooses not to (at first). Once Sonic realizes he’s genuinely in love with both of them, he wants a relationship with all three of them together. Will Silver and Shadow feel the same way?

I just wanted Silver to hit.

CW: There are multiple Silvonic and Shadonic smut scenes before the SSS threesome scenes. This fic is a love story AND a poly awakening for all 3 of them, and it's mostly smut, so PLEASE just enjoy it for what it is and have fun on the ride~!

Also, I posted all the tags in one go. I won’t be adding anymore. Every tag will happen at some point in the story lol.

💖 NEXT UPDATE WILL BE SATRUDAY 5/30! 💖
